### **About TI-Kenya**

Transparency International Kenya (TI-Kenya) is a not-for-profit organization founded in 1999 in Kenya with the aim of developing a transparent and corruption-free society through good governance and social justice initiatives. TI-Kenya is one of the autonomous chapters of the global Transparency International movement that are all bound by a common vision of a corruption-free world. TI-Kenya's vision is "A corruption-free Kenya".

TI-Kenya through its Policy, Legal and Institutional Frameworks Program is implementing a project on "Democracy, Governance and Human Rights" which aims to improve access to justice through effective key institutions within the justice sector that respect human rights and the rule of law. The project's overall objective is to contribute to increased respect for human rights, gender equality and strengthened democratic governance at the national and local levels. TI-Kenya's focus is in the Police and Justice sectors. To this end, TI-Kenya in conjunction with other stakeholders is supporting the National Police Service to strengthen their capacity to receive and resolve complaints on service delivery.
