**TO: WHOM IT MAY CONCERN**

Dear Sir/Madam,

**Ref: Industrial attachment for Kikirui Denis**

**Reg. No: C027 -01-1107/2017**

This is to certify that Kikirui Denis is a third year student of Dedan Kimathi University of Technology pursuing a Bachelor of Science degree course in Business Information Technology. According to the requirements of this course, a student is expected to undergo industrial training for a period of three months in order to gain experience. As a result, this student is seeking internship in your organization as from January 2020 up to April 2020 in order to gain work experience. I have known this student as an effective responsible, self-motivated, highly dependable and trustworthy individual.

I highly recommend this student for an internship opportunity in your organization. Any assistance accorded to him will highly be appreciated.

Yours faithfully,

Dr. Malanga Kennedy,  
CoD, Information Technology
